SAFETY BELTS

SB-01 ABC TV Special Feature on Seat Belt Safety

20/20 Segment Adults

A special segment about Romiro Rodriguez who is facing trial for the death of his 3-1/2 year old daughter. She was killed in a crash because she was riding in her mother's lap in the front seat instead of in a child safety seat. Also, clips from another trial involving a father whose son fell out of his vehicle while they were driving down the road.

SB-02 A Small Price to Pay

23 min. Adult

This video addresses the importance of safety belts and describes ways to develop and maintain favorable behaviors and get people into the habit of buckling up. Also outlines ways to start an incentive program for your community or business.

SB-03 A Way to Live

18 min. All Ages By GM

Families and doctors speak out on the importance of safety belt use.

SB-05 The Cost of Not Buckling Up

10min. Teenagers/Adults

A video discussing the financial cost of traffic crashes. Also touches on the issue of mandatory seat belt laws.

SB-06 Crash Dynamics for Training Programs (2 copies)

19 min. All ages

Clips of different real life crashes demonstrate the need for wearing safety belts.

SB-07 Cross My Heart

10 min. All Ages

Natives of the American Navajo Nation speak out on seat belt safety, child passenger safety and drunk driving.

SB-08 Don't Risk Your Child's Life - Version 4

14 min. Adult/New Parents/Parents-To-Be 2 copies

An informational video on choosing the correct safety seat for your child's age and size. Instructions on how to position the seat and where is the best place in the vehicle.

SB-09 Don't Risk Your Child's Life - Version 5 1996 Release

19 min. Adult/New Parents/Parents-To-Be 2 copies

This January 1996 release emphasizes the importance of reading and following manufacturers' instructions on child safety seats and the vehicle owner's manual for child safety seat installation. The video also warns of the dangers of air bags. Included is an instructor's guide with additional information to be used with the video.

SB-10 Going Riding with Buckle Bear

21min. Young Children (P.1&2 2-6yrs.) (P.3 4-7yrs.)

Using animation, young children learn about the importance of buckling up. Buckle-Up Bear, Big Green Snake, and Ms. Hen make it fun for kids to learn.

SB-11 The Back is Where It's At (2 copies)

15 min. Grades K-6

This video features Bill Nye the Science Guy. Examines the elements of vehicle safety. Created by DaimlerChrysler Corporation, it is designed to teach children that the back seat is the safest place to be when in a vehicle.

SB-12 Do The Buckle

15min. Grades K-6

To be used in conjunction with "The Back is Where Is At" video. This video includes song and dance to help children understand the importance of wearing seat belts the correct way.

SB-13 Mickey Mouse/Seat Belt Expert

15 min. 3rd - 6th Grades, Walt Disney Studios

Walt Disney Studios produced this informative yet entertaining explanation of the need for safety belts.

SB-15 Rediscover the Safety Belt (NHTSA)

8min. Teenagers/Adult

Encourages people to use seat belts by shattering myths with statistical facts.

SB-16 Rescue Procedure and Air Bags: Debunking the Myth (3 copies)

Issues addressed are safety of air bags and rescue personnel's concerns about crashes that involve air bag equipped vehicles. Illustrates what happens inside when the air bag deploys.

SB-17 Seat Belts and the Family

15min. Young Drivers/Adult 2 copies

A video shattering myths about how pregnant women wear seat belts, buckling up infants and children, seat belt safety and common fears, and careful drivers and crashes.

SB-18 Seat Belt Safety-Buckle Up and Live

22min. Youth/Adult

Explains the laws of physics involved in crashes in a factual presentation, which includes proper belt usage.

SB-19 Tips for Safer Travel with Children

Project Safe Baby from Midas Parents/Parents-To-Be

This instructional video shows how to properly use your child safety seat from installation to how to secure your child.

SB-20 Traffic Safety PSA's

57min. All ages.

Public service announcements.

SB-21 Unrestrained Motorists-The Cost to Your Community

Examples of financial burdens placed on our country by unrestrained motorists in crashes. Different states are used as examples to show how expensive this really can be.

SB-22 Why Enforce Child Passenger Safety Laws?

Which Seat Should Parents Use? Answering Parents' Questions.

16-1/2min. Police/Law Enforcement

This video discusses proper use of child safety seats and asks police officers the important question of why to pursue enforcement of child passenger safety laws.

VINCE AND LARRY

SB-23 Ask Any Dummy: Seat Belts Make Sense

18 min. Middle School/Adult AIMS Media

In this video Vince and Larry once again complete a successful buckle up campaign. Instead of taking the two weeks paid vacation offered to them, Vince wants to come up with a way to save twice as many lives for two weeks of paid vacation. You'll see how they prepare for their presentation and their invention of "Survival Wear" for drivers and passengers who do not buckle up. Throughout the video there is a good deal of crash dummy humor.

SB-24 Safety Belts: For Dummies or People?

8 min.

Part 2 of a video presentation produced by General Motors and the American Medical Association. The film is intended for elementary audience but has an appeal for older students. Demonstrates the proper way to buckle up.

SB-25 Vince & Larry Local Success of a National Program (1 copy)

Directions for using Costumes.

SB-26 The Winning Combination Vince & Larry; Automatic Safety Belts and Air Bags (2 copies)

8.5 min. Jr. High/High School/Adult NHTSA

Vince and Larry explain how passive restraints, automatic safety belts and air bags work

JACK WARE

SB-27 The New Room to Live

33 min. 2 copies

Sergeant Jack Ware, formerly of Michigan State Police, discusses the importance of seat belts and his experiences investigating fatal crashes.

SB-28 Room to Live III (copy)

33 min. High School/Adult Media Group, Ltd.

Sgt. Jack Ware continues his efforts to increase seat belt use. His message is that safety belts save lives, perhaps yours, or someone you love.

SB-29 Crash Course on Safety Belts

Seat Belts: An Additional Tool for Officer Survival

Seat Belts: Enforcement is the Key

F.O.P. on Seat Belts

20 min. Enforcement Officers

SB-30 Safety Belts: For Dummies or People” The Game of Your Life” (2 copies)

18min. Late Elementary/Jr. High

This video addresses alcohol and driving.

SB-31 Mort ”The Traffic Guy” – Mort Bags It - What You Need to Know about Air Bags

16 min. Older Children (8 – 12 yrs.)

A humorous video with Mort and his animated friend, Delta. They conduct an investigation as to why the air bag didn’t deploy in a crash. Also discussed are when air bags deploy and other safety issues concerning air bags.

SB-32 Nothing is Soft at 200 MPH – Texas Dept. of Transportation

30 sec PSA

One more reason children under 12 should ride properly restrained in the back seat. Vehicle passenger airbags inflate at speeds up to 200 MPH.

SB-33 Do The Buckle - Chrysler

30 min. Elem/Middle School

A musical, with young people demonstrating the proper use of seat belts. The video also shows how little time it takes to buckle up and adjust the seat belt for proper fitting.

SB-34 Are We There Yet? – GM/National Safe Kids

11 min. Parents

4 out of 5 car seats are used wrong. Could yours be one of those? This video shows the importance of wearing seat belts in the event of a crash.

DWI

DWI-01 Adam's Last Day

16 min. Teens/Young Adults

Adam, a young college student (over 21) comes home for Thanksgiving break and goes out on the town with his friend. They choose to drink and Adam gives his keys to his friend. Shortly after a crash occurs that claims Adam's life. His friends and family tell of the last time they saw and spoke with Adam. There are interviews with family members, lawyers, judges and the suspect.

DWI-02 The After Math (2 copies)

The Manocherian Foundation

Approx. 20 min. High School/Young Adult

A true story about an Olympic diver who chose to drink and drive. Running down a group of teenagers on a dead end road, he killed two and seriously injured four. Contains footage of news reports and courtroom sessions. Interviews with family, friends, and survivors, lawyers, judges and the suspect.

DWI-03 The Teen Files

Aims Multimedia - Hosted by Leeza Gibbons

High School/Young Adults

In this program teens see firsthand the potential consequences of alcohol use from every perspective, including how drinking impairs a person's coordination, vision and reaction time; how a drunk person really drives; and how drinking can lead to spending months in a rehabilitation center.

DWI-04 Aretha Franklin- Think

5 mins.

Music video warning against drunk driving.

DWI-05 The Day I Died

14 min.

An excellent portrayal of the standard "Please God I'm Only Seventeen". Presented in a way that teenagers and young adults can understand and relate to.

DWI-06 Drinking and Driving: A Deadly Decision

16 min. Junior High/Adult

This video shows three different perspectives from true stories that inform teenagers about the dangerous risks of drinking and driving. One account is from a young man convicted of felony drunk driving and manslaughter, the second is an angry young woman who lost her husband because of a teenage drunk driver, and the third illustrates the risks of drinking and driving and the court proceedings that follow.

DWI-07 Drinking and Driving The Toll, The Tears

55 min. High School/Adults

One-by-one accounts of drunk driving crashes. The victims' families tell of their loved ones and details of their crashes. The drunk drivers describe their crashes and reflect on the affects.

DWI-08 Drunk & Deadly (2 copies)

HBO Series approx. 1 hour High School/Adult

An account of 81 alcohol-related crashes that happened in the United States in the 24-hour period of May 17, 1986. A few of the families and drivers involved are interviewed. Reconstruction and actual photos from scenes are used.

DWI-09 Epidemic: Deadliest Weapon in America

24-1/4 min. High School/Adult

Hard-hitting program that examines both the statistical and human sides of the most unpredictable killer in recent history: drunk drivers. At times this film may be uncomfortable to watch. It is intended to stimulate thoughts and discussions amongst viewers and hopefully save lives.

DWI-10 The Game of Your Life

18 min. Elementary/Jr. High

Part two of a presentation package produced by GM and the AMA. This is an excellent program on the facts, effects and results of DWI presented so those youngsters can understand.

DWI-11 I Can Walk, I Can Talk, I Can Drive, I Can Die

Teenagers

A story of the tragedy of one family who loses a teenage son to drunk driving because he felt he was sober enough to drive home from a party. Produced and written by teenagers in Old Lyme, Connecticut.

DWI-12 Just One Night (2 copies)

28 min. Teens – Adults- Excellent viewing for driver's education.

A real-life story of Tom Boyle and the choices he made. Tom grew up and attended schools in New Hampshire. After graduating from the University of NH, he married his college sweetheart, had two beautiful children and worked hard to build a successful business. He made many good decisions, living the "good life" with fancy cars, a nice home in the country, and traveling worldwide. All that changed in "Just One Night", when, after "a few drinks", he drove his BMW at speeds excess of 100 MPH into the back of a city snow plow and killed his passenger. Sentenced to 4 to 8 years in the NH State Prison for manslaughter, Tom Boyle shares his story- a story of choices and how "Just One Night" can change your life forever.

DWI-13 The Last Dance

18 min. High School- Excellent for viewing at Prom season.

Eric and Cindy attend their prom, during which Eric consumes alcohol. Following the dance, Cindy climbs into the car with Eric behind the wheel, who proceeds to drive into a tree. Unrestrained, Cindy is killed instantly and Eric is left a quadriplegic. Relive the crash, events in the emergency room, and the physical and emotional aftermath.

DWI-14 Lethal Weapon Liquid Death

9 1/2 min. Teen/Adult

Short tape showing statistics of drinking and driving. Includes interviews with doctors and families of victims.

DWI-15 Loaded Weapon: A Story About Drinking & Driving

22 min. High School/Young Adult

Brian, a high school senior, is pressured into drinking by his peers. Another high school student, Alexandria, is studying with a friend when she realizes she is late for her curfew. On the way home her car breaks down and she calls her mother who meets her daughter and the tow truck driver. As Alex reaches into the car to get her auto club card, Brian, the drunk driver, hits her car and throws Alex 21 feet. She dies in her mother's arms. Alex's real mother conveys the message of making the right choice not to drink and drive and to never ride with someone who has been drinking.

DWI-16 Love Lies Bleeding (6 copies)

32 min. High School

This video features local students and citizens from Salem, New Hampshire, and follows a theme similar to Charles Dickens' "Christmas Carol" modified to focus on a prom celebration involving the planned use of alcohol. On the night prior to the prom, three spirits visit a teenager who has made plans to celebrate with his girlfriend and friends by consuming alcohol. The three spirits representing Proms Past, Present and Future, show teenagers the realities of drinking and driving and how it can affect many lives in

addition to their own.

DWI-17 Oprah Winfrey- DWI

Approx. 45 min. High School/Adult

Drunk drivers tell their stories. Average people give personal accounts of driving while under the influence and taking the lives of others. They discuss the consequences and their feelings today having faced those consequences.

DWI-18 Ready or Not

30 min. Parents or Adult Supervisor's of Middle School Students
Guide to talking with young teens about alcohol abuse.

DWI-19 Reason to Live

25min. Adults

Sgt. Jack Ware presents a thoughtful and compelling discussion of the effect of alcohol on driving.

DWI-20 Sex, Lies and Profits (with discussion guide)

The Manocherian Foundation High School/College

This is an informational video to help students recognize and understand how the mass media glorifies alcohol. The guide with the video contains discussion points on the alcohol industry's marketing techniques aimed at new, young consumers.

DWI-21 No Second Chance

Teens/High School

The real-life experience of an alcohol-impaired teen that killed his girlfriend and is now a paraplegic.

DWI-22 Think, Don't Drink

16 min. High School/Adult

Four family accounts of their children's deaths due to drunk drivers.

DWI-23 Under the Influence: Kids, Ads and Alcohol

18 min. Teens/Young Adult Corvion

Video journalist Collin Siedor explores the myths of alcohol advertisements and their impact on young people. The story is told from a kid's point of view in a format that other kids will buy into. This hard-hitting documentary includes former heavy users who are still in their teens and ends with an example of an in-school project creating TV spots that depict the truth about beer and alcohol.

DWI-24 When Teenagers Drive

12min. An excellent presentation of the problems teenagers must overcome as they learn to drive. This program is intended for PARENTS!

DWI-25 Team General Information Tape 1 (DOT/NHTSA)

Program for "Techniques for Effective Alcohol Management".
For use with lesson book. (Lesson book not available)

DWI-26 Team General Information Tape 2 (DOT/NHTSA)

Program for "Techniques for Effective Alcohol Management".
For use with lesson book. (Lesson book not available)

DWI-27 Truth About Drinking

30 min. High School/Adult (Excellent)

Hosted by Lezza Gibbons. For many teenagers alcohol is the drug of choice, yet they do not realize its physical effects or the emotional and legal consequences of a drunk driving crash. In this video, teens that are drinkers see first hand what the future may hold for them if they continue to drive. They experience the immediate effects of alcohol as well as long-term effects of continued drinking. The video ends with a simulated crash in which three teens die in a crash where the young driver was drunk.

DWI-28 Learning the Hard Way

24:16 min. High School (Excellent)

Four teens serving time for driving and vehicular homicide reveal their emotional life sentences, the anguish and grief they will always live with.

DWI-29 DWI Drinking & Driving .08 Experience (4 copies)

Adult Audience

DWI-30 Forever A Child (2 copies)

26:46 min Teenager

The testimony of a 17-year-old who after drinking, misses a curve at a high rate of speed causing the death of his 16-year-old passenger.

DWI-31 Brandon Tells His Story

28 min High School The Century Council

You will see how lives can be changed forever by one irresponsible decision. The story of Brandon Silveria.

DWI-32 Alcohol – True Stories

30 min Teens/Adults

Hosted by Matt Damon, this video engages teens on an issue important to their health and well-being: underage drinking.

MOTORCYCLES

MC-01 A Drivers View- Motorcycle Safety

5 min. Motorcyclists

Older movie shows how motorists should share the roads with motorcycles. Partially animated.

MC-02 Fake Helmets Unsafe On Any Head

12-1/2 min. High School/Adult Motorcyclists

This instructional video focuses on choosing a legal helmet for use with a motorcycle. It also shows some examples of illegal helmets.

MC-03 Moped's Seven Steps to Survival

1 hr. 11 min. 2 copies

Outlines safety tips for moped drivers.

MC-04 Motorcycle Safety- Helmet Effectiveness

22 min. Teen/Adult

A look at the construction of motorcycle helmets and how they work to protect cyclists, as well as case studies of how helmets save lives.

MC-05 Detecting Impaired Motorcyclists - NHTSA

81/2 min. This video discusses how to identify impaired motorcyclists. Detection cues are discussed and what to look for in the impaired driver.

BICYCLE

B-01 Before the Fall

20 min. Adults

Public service announcements to encourage helmet usage. Tells what to look for in a bicycle helmet. Indy car racers promote their usage of helmets for driving and bicycling.

B-02 Bicycle Safety Camp

25 min. Ages 6-12 2 (1 copy)

Instructs children on safety rules of riding in traffic and on bike trails. Emphasizes the need to always wear their helmets.

B-04 Bike Super Stars

11 min. Junior High

Educates kids on bike safety and riding.

B-05 Effective Cycling

41 min. Adults

8 Lessons for safe cycling.

Do's and don'ts for riding in traffic and on other terrains.

B-06 Elephants Never Forget

7 min. Grades K-3

Geared toward young children, promotes safe riding and helmet use.

B-07 Jell-O in a Jar

Grades K – 6 Safe Kids-Cycle Smart

A video for kids teaching the importance of wearing a bicycle helmet.

B-08 A Kid's Eye View

11 min. Children/Adults

This video illustrates mistakes commonly made by bicyclists and how to safely ride especially in traffic areas.

B-10 I'm No Fool on Wheels

Grades K-3 Disney Educational Productions

Short video featuring Pinnochio and Jiminy Cricket along with young children to teach Pinnochio about safety on wheels- skating, skateboarding and bicycle riding.

B-12 Trucks and Bicycles Sharing the Road

25 min. Adult

Instructional video on safety measures that need to be considered when bicyclists ride on roads where trucks will be driving. Tips for cyclists and truckers.

B-13 Ride Smart - NHTSA (2copies)

9 min.

This short video discussing the importance of wearing a bike helmet to avoid brain injury. The video also shows how to ensure that the helmet fits properly.

B-14 The Perfect Fit – Bike Helmets

15 min. Elementary School

This video contains general information and instruction regarding cycling safety and the proper fit of safety helmets.

B-15 Injury Prevention Center – Helmet Safety
WMUR-TV
Length :30

PEDESTRIAN

P-01 Be a Safe Street Crosser

8 1/2 min. Early Elementary

Pedestrian safety for early elementary students featuring Willy the Whistle.

P-02 I'm No Fool as a Pedestrian

15 min. Grades K-4 Disney Educational Productions

Jiminy Cricket, Pinocchio and Geppetto teach students how to become an "Expert Pedestrian". This video clearly illustrates the common sense rules anyone on foot needs to know about being on the street.

P-03 Pedestrians- Watch Out

Pedestrian safety for Grades 2-6.

P-04 Pedestrian Safety, What You Can Do

9 min. Adult-Good for Traffic Safety Committee

Presentation for adults who are concerned about the problems of pedestrian injuries and fatalities. Good for traffic safety committees concerned with how to address problems in their communities.

P-05 Stop, Look, Think

Early Elementary

Pedestrian safety from a small person's point of view. Recommended for early elementary students.

P-06 Walking With Your Eyes

Elem. School

School bus pedestrian safety

P-07 They're Pedestrians

Elem. School

School bus pedestrian safety

Discusses school bus/pedestrian safety from the home to the school and entering and leaving the school bus.

MISCELLANEOUS

M-01 Road Rage: How to Protect Yourself

15 min. Drivers of All Ages National Safety Council—FLI Learning Systems

This video presentation highlights common situations that can cause conflicts between drivers including tailgating, cutting in and out of traffic, driving too slow, running red lights, forcing a merge at the last minute, getting stuck behind double parked vehicles, making hand gestures and attempting to “get even” with other drivers. The video offers tips for defending yourself against “road rage” by keeping your own anger in check and how to avoid becoming a victim of another driver’s anger.

M-02 Taking the Lead- Student Traffic Safety

12 min. High School/College

This is an advanced alcohol and seat belt program geared towards high school and college-age students.

M-03 Young Drivers- The High Risk Years

14 min. Teens/Adult (Parents)

This video contains interviews with 16-year-olds that tell why they want their drivers' licenses and what it means to them. Parents of young drivers who died in crashes tell how the tragedy happened and how it has affected their lives. The video focuses on graduated licensing, a policy measure to reduce the number of young driver fatalities.

M-04 You're in Control Y.E.S.

Youth Education and Safety

This video talks about the responsibility of a youthful driver and insurance issues.

M-05 ABS Don't Let Up

AAA All Ages 2 Copies

This video contains footage of driver education students during simulated emergency situations in a car with ABS brakes and in a car without the ABS braking system. Outline for program included.

M-06 Anti-Lock Brakes

Drivers of all ages.

An informational tape that demonstrates and explains all aspects of ABS operation. Learn how the system works and how to take advantage of its capabilities.

M-07 The Choice is Yours

This video discusses ATV safety and the hazards of off –road riding.

M-08 On Country Roads

20 min. Drivers of all ages.

This video features safe driving habits needed while driving on country roads.

M-09 Get a Grip...Wet Weather Driving Techniques

15 min. All Ages Driver Education and Programs

The purpose of this video is to help drivers understand the risks involved in driving on wet roads and how to reduce the chance of injury, damage or loss. It focuses on three areas: reduced visibility, reduced traction and hydroplaning, and skid detection and recovery.

M-11 Heads Up at the Wheel

10 Min. Drivers of all ages.

This is an educational video on drowsy driving. The video contains information on drowsy driving costs, warning signs and prevention strategies. Includes footage of driving.

M-12 Ready, Set...Winter, Drive Safely on Snow and Ice

All Ages AAA

Video instructs how to prepare your vehicle for harsh winter weather. It describes several situations and explains how to handle common winter driving problems.

M-13 Road Remedies

23 min.

A program illustrating crashes involving hazardous materials.

M-14 Skateboard Riding Tactics

15 min. 9-15 year olds

A review of the skills needed to ride safely off the street, as well as issues to be considered when selecting a safe place to ride on the street.

M-15 The Talking School Bus

M-16 Valvoline National Driving Test

M-17 Winter Driving Tactics

14 min. High School/Adult

Program teaching winter driving habits. How to prevent problems and emergencies. Instructs on what to do in case of an emergency.

M-18 Winter Driving Update

15 min. High School/Adult

This program teaches safety precautions for winter driving from preventive measures to what to do in case of an emergency situation.

M-19 The Older Wiser Driver

22 min. Adult

This program teaches that aging is an inevitable part of life. But growing older does not have to mean giving up an active lifestyle. Traffic safety is important. Older drivers experience physical changes that may affect their driving ability. These include: vision, cognition, fitness and medication. With the few simple strategies discussed in *The Older Wiser Driver* video, drivers can continue to drive safely.

M-20 Stop and Look

Elementary School

School bus pedestrian safety

This video was made to help the very young learn the proper way to cross the street safely.

M-21 Riding the Bus

Elementary School

School bus pedestrian safety

This video discusses school bus danger zones and the safe way to ride the school bus. The video is aimed at young school age children.

M-22 Safety Starts at Home

Elementary School

School bus pedestrian safety

This is another video regarding bus safety and the danger zones for young school children. It demonstrates proper loading and unloading, the danger zones, and how to approach and walk away from the school bus.

M-23 Protecting Your Newborn - NHTSA

26 min Parents

This video introduces some key transportation safety issues as well as home safety issues. Topics include car seats and a home safety check list.

M-24 Ready, Set, Winter! (4copies)

15 min Adults GM/AAA

Provides a brief overview on how to prepare your vehicle for harsh winter weather.

M-25 Keeping the Keys

10 min Older Adults Illinois Dept. of Transportation

Explains how the natural aging process affects our ability to drive safely.

M-27 Wake Up & Get Some Sleep

7 1/2 min All Drivers

This video discusses the importance of getting good quality sleep.

M-28 Don't Let Up High School/Adults GM/AAA (3 copies)

15 min Anti-Lock Brake Systems

Contains footage of high school driver education students using ABS for the first time. You will see these drivers face 3 simulated emergency situations in a car without ABS and in a car with ABS.

M-29 Young Drivers – The High Risk Years

15 min Teens/Adults Allstate

This video listens to teens talk about why they want their drivers license and what their driver's license means to them. Parents of teen victims talk about their tragedy and how it affected them.

M-30 Traveling Alone in America

36 min Adults

Informative docudrama

This video is to educate women who travel alone. The video gives tips on how to safely travel alone.

M-31 Making Safer Roads (3 copies)

12 min Adults

In this video, experts explain which road hazards present the worst problems. It tells how to alleviate the hazards.

M-32 Emergency Procedures for Airbag Equipped Vehicles (2 copies)

15 min. Elementary School

This video is a reenactment of a response to a personal injury automobile crash where extrication had to be performed. There is also a discussion on airbags and where they are located.

M-33 ABS Training Video

15 min. Adults

Avoidance = Braking and Steering

This video talks about the advantages of having ABS (Anti-Lock Braking System) and how they work.

M-34 Tips for Safer Travel with Children (3 copies)

25 min Midas

This video shows how to use car seats properly, talks about compatibility with a vehicle and proper installation.
